

## **CWA/ITU PENSION PLAN**

Members who have worked at Naylor for a long period of time may be entitled to retirement benefits from the CWA/ITU Pension Plan. This was the pension plan in effect before the Union negotiated your participation in the CEP Multi-Employer Pension Plan.

The CWA/ITU Pension Plan is administered by Funds Administrative Services (FAS) in Edmonton. FAS mails annual statements to all members on the condition that the member is vested and FAS has a current member address on file.

If you believe that you may be entitled to benefits under the CWA/ITU Pension Plan you should contact FAS directly. You should confirm that they have your current home address on file, and they will arrange to have a copy of your latest CWA/ITU pension statement mailed to you.

The main contact at FAS is:

**Janet McTague**

**1-800-770-2998 ext 625**
